

To Whom It May Concern,

My name is Michael Vaiani.

I started my Law Enforcement career in June of 1979 with the Point Pleasant Beach, NJ Police Department. In Oct. 1991, I was hired by Dover Twp, Toms River NJ Police Department and was an officer from 1981 to 1991.

I joined the Drug Enforcement Administration and became a Special Agent from 1991 to 1997. In July of 1997, I took a position as a Special Agent with United States Secret Service until my retirement in Jan. 2015.

For Almost 15 years, I was the Primary Firearms Instructor and Range Coordinator for the New York Field Office.

I first learned about Clear-Armor products from a friend who was employed at the Agency and a member of their GRS Unit. He told me that Clear-Armor was the "Real Deal". I had the opportunity to see first-hand what these products are capable of at a demonstration. I witnessed an aluminum bat being bent after hitting regular ¼ inch, laminated window glass many times. The glass did not break.

I then witnessed the BR treated glass being shot. The rounds went thru the glass from the inside but when turned around, which would be the side of an active shooter, it stopped all the pistol rounds. When shot with 556, 223 the rounds penetrated the glass but were non-lethal and non-life threatening. It was truly amazing.

I would stake my family's safety on Dave Trudeau's products. That is why I am proud to be a Clear-Armor sales representative.

Any questions, don't hesitate to call me, 201-994-9296.

Stay Safe,

Mike Vaiani
