

Pricing Information for Schools

Pricing for our 15mil security laminate is based off of the total amount of glass square footage you are looking to secure. The total square footage can be from one building or is the result of multiple buildings in your school district. There is **no charge** for wastage and price reflects a turn-key install.

TOTAL SQ FT OF GLASS	PRICE
1,000 sqft or more	\$25 per sqft
Less than 1,000 sqft	\$ per sqft will vary, additional cost for crew & travel

Other Services

When a certain amount of square footage is met, we offer **free** services to your community.

2,500 sqft reached

TruArmor will have Guard911 installed in one of your buildings, with a 1 year of service paid by us.

5,000 sqft reached

All school staff will receive one day of empowerment training by one of our top leading experts in school safety/active shooters.

7,500 sqft reached

TruArmor will provide BCON training. This four hour course teaches bleeding control for the injured.
